## **GEHA PROJECTOR 216/218**

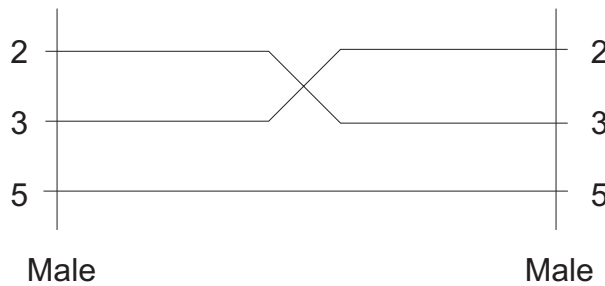

Special cable

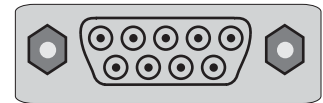

Female

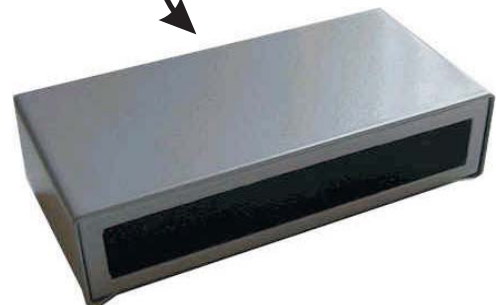

You will need a crossed cable with male connectors in both ends

**Special notes:**  
Baudrate/protocol is:  
9600 bps, n, 8, 1

Insert the DB09 male connector into the TableTop's RS232 connector

In TT455-RT-238's Memory Map, use commands:  
Geha, Projector, 216-218
